Tuition Installment Plan Policy

The Bethel College Tuition Installment Plan policy is effective December 1st 2007. Paying tuition in lump sum payments is sometimes a challenge for many students and families with limited monthly income. The Tuition Installment Plan (TIP) is designed to assist students in budgeting their educational costs. It is not a loan and interest charges do not accrue. Students utilizing the TIP will be required to make 3 payments. The date for those payments will be determined at the time of registration and will be stated on the TIP agreement form. If for any reason a payment cannot be made on the agreed upon date, please contact the Registrar’s Office. If a payment has not been submitted on a due date a \$25 fee will be assessed to the student’s account.
